

Fast growing, premium quality packaged Indian food brand

Indikhaa is a manufacturer of premium packaged Indian food. Our products are sold under the brand "Aava Natural". Our products are made using traditional processes with premium quality, all natural ingredients and taste just like home made food. Our products contain no artificial preservatives and are healthy and tasty. We have 12 products (pickles, masala mixes, coffee powder, moringa powder, phool makhana) with a total of 34 SKUs.

Gourmet and Grocery

Aava Natural Foods is a brand that specializes in creating all-natural and flavor-rich grocery and gourmet items. We offer a range of products, including pickles, spice powders, coffee, peanut butter, and superfoods, all made with natural ingredients

Mango Pickle - Aavakaya *Catalog No. 1 & MRP Rs. 150*

The word Aavakaaya is a combination of mustard seed powder (aava) and mango pieces (kaaya). As the name suggests, choicest raw mangoes are cut into chunks (with the inner shell left intact) which are then steeped in a special mixture of spices and fresh groundnut oil and pickled to perfection. This pickle is freshly made-to-order, just the way you would like it; and it is as nature intended it to be - all natural, with absolutely no artificial preservatives.

Sweet Mango Pickle - Sweet Aavakaya *Catalog No. 2 & MRP Rs. 150*

This pickle is a sweet cousin of the amazing Aavakaaya, which is a combination of mustard seed powder (aava) and mango pieces (kaaya). Choicest raw mangoes (with the inner shell intact) are steeped in a special mixture of spices, dollops of jaggery and fresh groundnut oil and are pickled to perfection. This pickle is freshly made-to-order, just the way you would like it; and it is as nature intended it to be - all natural, with absolutely no artificial preservatives.

Cut Mango Pickle *Catalog No. 3 & MRP Rs. 150*

This mango pickle is a combination of mustard seed powder and cut mango pieces. As the name suggests, choicest raw mangoes are diced into small pieces (without the inner shell), which are then steeped in a special mixture of spices and fresh groundnut oil and are pickled to perfection. This pickle is freshly made-to-order, just the way you would like it; and it is as nature intended it to be - all natural, with absolutely no artificial preservatives.

Mango Thokku Pickle *Catalog No. 4 & MRP Rs. 150*

A lip smacking mango preserve that is packed with traditional flavors. Mango Thokku (grated mango) of choicest raw mangoes are cooked in their own juices and tempered with a special mixture of spices and fresh groundnut oil. This pickle is freshly made-to-order, just the way you would like it; and it is as nature intended it to be - all natural, with absolutely no artificial preservatives.

Lemon Pickle *Catalog No. 5 & MRP Rs. 150*

A tangy lemon preserve that is packed with citrus zing and traditional flavors. Juicy deseeded lemon chunks are pickled in their own juices and tempered with a special mixture of spices and fresh groundnut oil. With just the right tempering, our lemon pickle will embellish your culinary experience. This pickle is freshly made-to-order, just the way you would like it; and it is as nature intended it to be - all natural, with absolutely no artificial preservatives.

Tomato Pickle *Catalog No. 6 & MRP Rs. 150*

A delectable tomato preserve that is packed with a perfect zing and traditional flavors. Luscious red tomato chunks are cooked in their own juices and tempered with a special mixture of spices and fresh groundnut oil. With just the right tempering, our tomato pickle will embellish your culinary experience. This pickle is freshly made-to-order, just the way you would like it; and it is as nature intended it to be - all natural, with absolutely no artificial preservatives.
